

## OUTPUT:

A screenshot of a web browser window with the title 'Add Contact'. The address bar shows a file path: 'C:/Users/JEYASHRI%20THIRUMALAI/Downloads/contact-management-api/frontend/index.html'. The page content includes a form with the following fields: 'Name:', 'Phone:', 'Email:', and 'Address:'. Each field is followed by a text input box. Below these fields is a 'Submit' button.

:

A screenshot of a web browser window with the title 'Contacts List'. The address bar shows a file path: 'C:/Users/JEYASHRI%20THIRUMALAI/Downloads/contact-management-api/frontend/view.html'. The page content displays a table titled 'Saved Contacts' with the following columns: 'Name', 'Phone', 'Email', and 'Address'. The table is currently empty.

Name	Phone	Email	Address
------	-------	-------	---------
